MEET GLACIERSTONE!

A durable apron-front prep station kitchen sink in white with accessories built in! Durable, heat resistant, fade resistant! This large single-bowl sink can "also" be used as an undermount and accommodates all your kitchen needs. The built in ledges hold the included colander for rinsing produce and cutlery, a maple cutting board to chop right over the sink, and a colander drain.

- 15 Years warranty against discoloration.
- Solid material - Scratches can be sanded with included kit - solid color / material throughout.
- Non-porous surface is hygienic and helps ward off microbes and scratch resistant.
- Heat Resistant to 500°F.
- Material is sound absorbing and stain-resistant.
- Maple cutting board and stainless steel colander drain included.
- Patented Design.
